

NEW

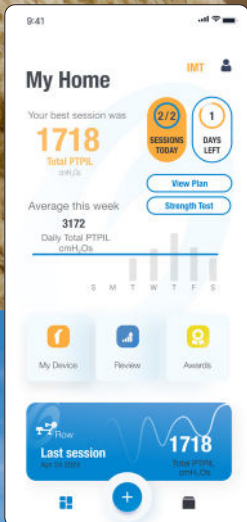

POWERbreathe®

Smart Adaptor

Compatible with the ActiBreathe® App

The Future of Breathing Training

Make every breathe count with the new cutting-edge POWERbreathe Smart Adaptor, designed to seamlessly digitise your POWERbreathe mechanical breathing training device. This innovative solution transforms your POWERbreathe device into a smart, connected tool, enabling real-time monitoring and training feedback, personalised insights and enhanced performance, unlocking new levels of breathing training. Stay ahead of the competition with the state-of-the-art POWERbreathe Smart Adaptor and ActiBreathe® App.

Improve your breathing, whether you're striving for better health, enhanced athletic performance or managing a respiratory condition. The future of breathing training is here.

Key Features

Standalone Strength Test

The POWERbreathe Smart Adaptor with ActiBreathe® App utilise precision technology and clinically recognised methodology to measure the strength of your breathing muscles, providing an accurate insight into your breathing capabilities.

Personalised Training Plans

The ActiBreathe® App offers a visually intuitive representation of your breathing training and test results. Track improvements and celebrate breathing milestones.

Guidance and Training Plans

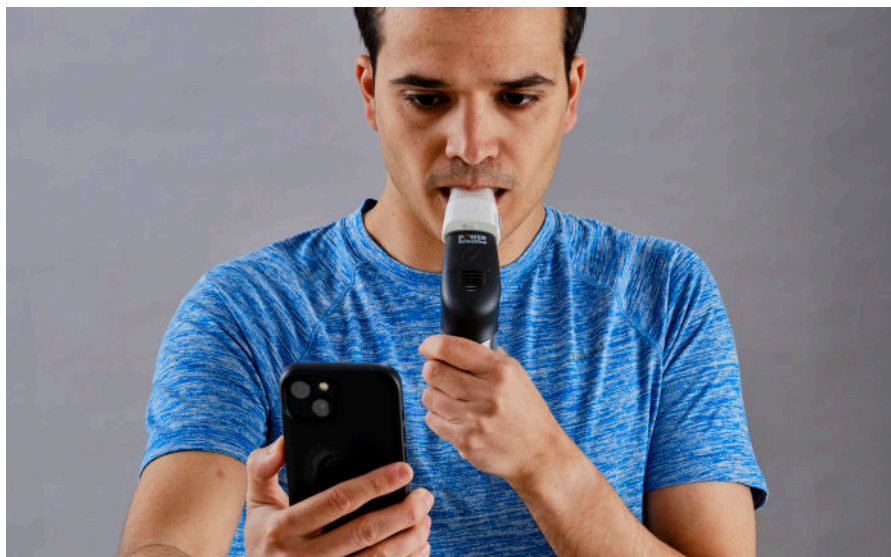

Receive expert guidance through the ActiBreathe® App, which offers tailored training plans based on your individual respiratory needs. The ActiBreathe® App adapts to your personal goals, whether you are an athlete, fitness enthusiast, have a medical condition or are simply looking to improve your respiratory health.

Visualised Progress

The ActiBreathe® App offers a visually intuitive representation of your breathing training and test results. Track improvements and celebrate breathing milestones.

Seamless Integration

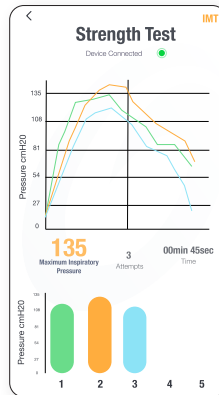

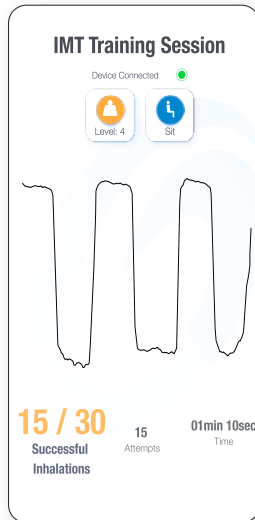

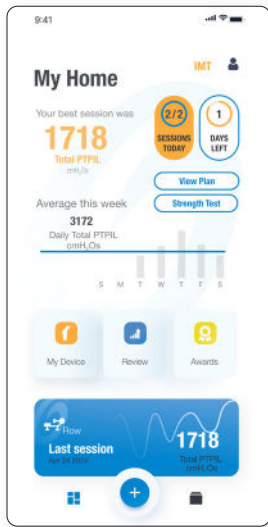

The POWERbreathe Smart Adaptor seamlessly syncs with the ActiBreathe® App. Access your data anytime, anywhere and stay connected to your breathing training journey.

Compatible with multiple POWERbreathe Breathing Devices:

- POWERbreathe Plus Inspiratory Muscle Trainers (IMT) - All models
- POWERbreathe EX1 Expiratory Muscle Trainers (EMT) - All models
- Shaker Deluxe mucus clearance device – coming soon

The ActiBreathe® App empowers you to enhance your performance

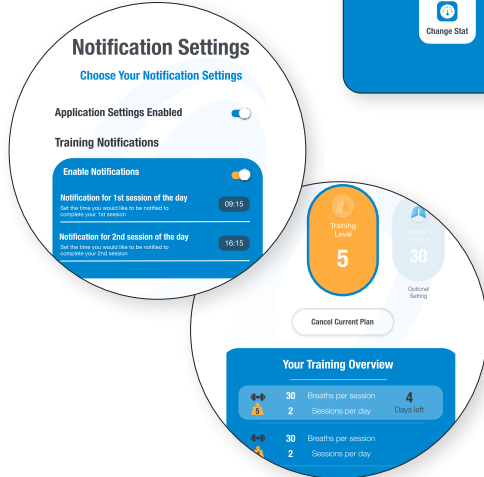

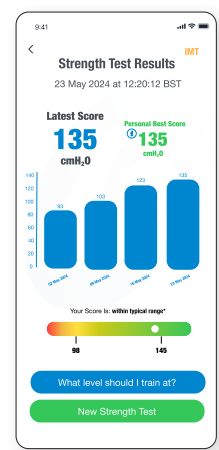

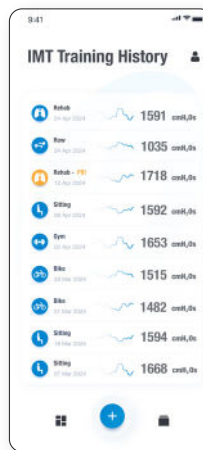

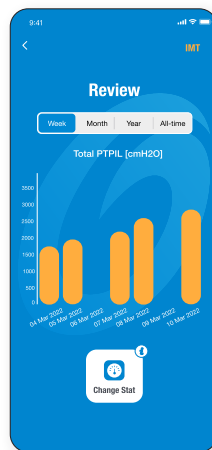

Real-Time Monitoring

Unlock your full potential with real-time training tracking and training feedback. Improve your breathing performance using the POWERbreathe cutting edge technology and visual guidance.

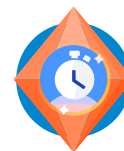

Review, Analyse, Improve

This comprehensive feature allows you to review your previous training performance, allowing you to monitor progress and training efficiency.

Awards

Celebrate your breathing achievements by earning awards and trophies.
